

“Virtual” School Carnivals

Do you want to have a Back to School or Fall Carnival but you are just not sure? Our Virtual School Carnivals will allow schools to hold their annual event in a whole different manner when they may not be allowed to have parent volunteers on campus or will be on-line learning again this fall.

The Basic Concept

Zoom Rooms will be set up to allow the students to attend and play carnival games and dunk a teacher or principal in the dunk tank. Duration of the carnival would be 2 to 3 hours, school’s choice. One Zoom room per game.

Set Up Zoom Areas

Each area can be at the school, or at the residence of teacher(s) or parent group members (PTA, PTO). Fun Services would deliver & pick up the equipment to the school or to each residence, so long as the residences are within 3 miles of the school.

Running the Carnival

Carnival Games:

Two volunteers would be required at each activity. One would interact with the students on the screen (via laptop or smartphone), while the other would play the game based on the student’s instructions.

Example: Amaze-O, student would instruct volunteer where to release the ball and would choose a colored slot they hope to land in.

Dunk Tank:

Teacher, principal, or parent volunteer would sit in the dunk tank. A second volunteer would hold the device and interact. Trivia questions (Math, Geography, Science as examples) would be presented to each student. If the student answers correctly, the volunteer would hit the target and dunk the “Dunkee”!

Paying for and Receiving an Invite to Attend

Although the sky is the limit with how creative you want to be, we have two ways that schools can achieve this.

1. **Students would pay a minimum of \$10 (for example) to attend. Entrance fee would adjust based on which Prize Package the school chooses.** The school could either collect a check from each parent or setup online to receive credit card payments. In turn, the student would then receive link(s) to all the Zoom Rooms. Families with multiple kids may use the same link but it should be discouraged for families to share the link with someone not in their home.
2. For those schools not charging students to attend, they would send the Zoom Room link(s) in a mass email to all the families within your school’s community. In addition, the school’s Principal or parent group President, could “break-in” during the actual carnival to ask parents to make a donation to the school/parent organization via online to help support the event. That way families could donate any amount they are comfortable with (\$5, \$10, \$20, \$50?).

Equipment Package

- 10 Carnival Games of "Chance" – (Amaze-O, Duck Pond, Plinko as examples)
- 10 Carnival Hinge/Barrier Booths
- Dunk Tank
- 10-6ft. Tables for the games

Prizes (different packages available) 10 Rolls of Tickets

Goodie bag for each student that attends (includes 3 to 4 small novelties and (1) pre-bagged cotton candy). Would need to be delivered to the school or parent group leader's residence.
 Delivery to school or various residential locations (within 3 miles of school)

Prize Packages

Each game would come with a grand prize and would be displayed at the game. Each time a student wins a game, the volunteer will write his/her name on a ticket to be placed in a drawing at the end of the carnival. Available prize packages will be based on what each school wishes to spend.

Examples:

- Package 1 (Basic) 10 prizes valued at \$5 each, school cost.
- Package 2 (Medium) 10 prizes valued at \$10 each, school cost.
- Package 3 (Large) 10 prizes valued at \$15 each, school cost.
- Package 4 (X-Large) 10 prizes valued at \$20 each, school cost.
- Package 5 (Premium) 10 prizes valued at \$40 each, school cost.

Compensation to Fun Services based on Fun Services current pricing.

We would recommend a minimum of 150 students in attendance.
 150 students x \$15 (Based on premium prize package) = \$2,250

Costs to School

10 Carnival Games @ \$30	=	\$300.00	
10 Carnival Booths @ \$42	=	\$420.00	
10 Tables @ \$9	=	\$ 90.00	
Dunk Tank @ \$225	=	\$225.00	May be added to Games but NOT required
Prizes (Ex. Premium)	=	\$440.00	Includes Sales Tax
Raffle Tickets	=	N/C	
Goodie Bags x 150	=	\$300.00	May be added but NOT required
Delivery/Pick Up	=	\$150.00	
Total bill to School - \$1,925.00			

Delivery Days & Times

For mid-week events Mon-Thurs, Fun Services will deliver on day of event and pick up the next day.
 For events Fri-Sun, Fun Services will deliver on Friday and pick up on Monday.

These pictures are from our First Zoom Carnival setup for a Fun Services child's school Fun Day. The school used laptops, iPads and mobile phones.

Safe Fun!
